

YAFFA
ZHAV

MAJOR SPONSOR OF THE OLIVIA NEWTON-JOHN GALA BALL 2016

ZHAV INTERNATIONAL AUSTRALIAN BEAUTY WHOLESALER

Zhav International is a well known beauty wholesaler specializing in High Tec Beauty Equipment, outstanding training and the latest innovation in Stem Cell Technology Skin Care. **Yaffa Zhav, CEO of Zhav International**, is very passionate about working with charities both in SA and nationally. She regularly donates beauty treatment gift vouchers to help raise money for a good cause. This year she was accepted as a Bronze Sponsor for the **Olivia Newton-John Gala Ball** which was held at the Crown Casino in Melbourne. Yaffa also regularly donates Gift Bags with samples of her Chemical Free Skin Care to Women undergoing Cancer treatments, such as the Olivia Newton-John Austin Hospital and Cancer centres in Adelaide. Yaffa also offers free rejuvenating facials to women who have just started chemotherapy at hospitals in Adelaide. She is passionate about helping women to both feel and look good, giving them the positivity that they need to help them get through their chemotherapy treatments. Yaffa believes that all business should be giving back to the community and helping people in need.

This year, **Yaffa Zhav** is introducing a new line of skin care from the Argan Tree. The line is based on Stem Cell Technology and natural ingredients for texture and preservation, hence without Parabens, Propylene Glycol, Mineral

Oil, Petrolatum etc. The new range has been a success story as clients are loving the results. According to Yaffa Zhav, a top skin specialist Dr in Israel is recommending the range to her clients.

Zhav International's latest innovation is the miracle "**Anti-Ageing Wrinkle Filler**" which helps to improve fine lines without cosmetic injections. To be used at home after a non surgical face lift treatment. The "**Anti-Ageing Wrinkle Filler**" contains Hydrolysed Collagen from the Coconut Plant helping to diminish wrinkles long term, Dermaxyl to repair and reconstruct the skin and Hylauronic Filling Spheres to hydrate the skin.

Zhav International is also launching the **Yaffa Zhav Collagen Booster**, an all natural lip treatment. The Collagen Booster contains added Vitamin C plus Organic Plant Extracts from Black Currant, Jojoba, Sea-buckthorn and Tea Tree Oil, healing, soothing and moisturizing. Also Containing **MaxiLip™**: to increase collagen production, helping to reduce lines and promotes long term fullness and moisture.

According to Yaffa, **Zhav International** has recently sold their **Zhav Dynamic Lift**, one of their many High Tec Beauty devices along with their Stem Cell Technology skin care to a Doctor who is now providing a range of new treatments to her patients after trying a sample and seeing the results.
