

CELEBRATING 30 YEARS OF BUSINESS SUCCESS

A woman with a commitment to natural solutions, Yaffa Zhav also has the credibility and intuition that comes with over 30 years' experience as a beauty entrepreneur and innovator. Nominated for the Telstra business award and the Ethnic award.

Yaffa has spent her life researching and refining natural beauty techniques that deliver the proven results that modern people demand. "There isn't a person alive who wants to look as though the effects of age and environment are evident on their face," says Yaffa, "But by the same token, no one really wants to resort to surgery. I believe that the answer lies in natural solutions that work in harmony with the skin and body, stimulating, detoxifying and regenerating. Nature has the answers. We just need to put careful research into finding them."

The Yaffa Zhav Skin Care range is the result of Yaffa's years spent searching for natural ways to deliver visible results in anti-aging with a selection of products created for discerning users who really want to see a difference when they look in the mirror. Determined to deliver the very best for people everywhere, Yaffa herself has been personally involved throughout the creation of this range, monitoring research, production and testing. You can be assured that each product in the range represents an effective combination of natural formulations that will work together with your body for skin that is toned, firm, fresh and

younger looking.

Zhav International is moving forward with innovative new products that offer clinics more revenue. "We do not sell a machine we create success for the clinic and that is why clinics who purchase Zhav International equipment are so happy" says CEO Yaffa Zhav. "Some clinics have doubled their weekly turnover!"

Zhav International is also proud to have South Australian Paralympic Gold medallist, Katrina Webb as the ambassador for the High Tech equipment, Stem Cell chemical free skin care Beauty with Nature and Biolift.

Argan Plant Stem Cell is the latest innovation in the world and Yaffa Zhav "beauty with Nature"

skin care is proudly introducing it to Australia.

Yaffa is also very proud to introduce "Yaffa Zhav Bio Lift" her at home non surgical face lift machine. According to Yaffa, clients have been waiting for an idea like this to arrive so that they can maintain their beautiful skin in-between treatments in the salon.

Katrina uses Yaffa Zhav Skin Care and loves the feel and the results it leaves on the skin. According to Katrina, her skin "looks and feels the best it's ever been. She especially loves the Yaffa Zhav Stem cell range which is chemical free and contains advanced active ingredients. By also using BioLift, at home, as maintenance between salon treatments. Katrina says this non surgical face lift is assisting in her looking younger and having natural and glowing looking skin.

Yaffa is also well recognised for her contributions in charity organisations by donating free skin care products. She offers her skin care in two South Australian hospitals by providing free rejuvenating facials to all chemotherapy patients to make them feel good.

"Supporting people in need is one of the greatest things any business can do," says Yaffa

"I have been using the Yaffa Zhav BioLift™ home device for a few months and I have noticed such a dramatic change in the way my skin looks and feels. This is one of the best at home skin care tools I have ever purchased! Thank you!"
